## INTERNATIONAL PHONETIC (H.K.) ASSOCIATION

2021 Summer Course

### English Phonetics Class

( For F.1 to F.4 Students )

暑期中學生英語語音班

**International Phonetic (H.K.) Association** was founded in January 1991, and since then has provided a variety of courses in English phonetics and phonology for people in Hong Kong. The courses "*English Pronunciation for Students*" and "*Practical English Phonetics and Phonology for Teachers*" have provided the students and teachers of English with an opportunity to understand the important theories and skills in pronunciation as well as other features of spoken English.

**Aims:** To improve students' understanding of English pronunciation and speech systems with the help of diagrams, IPA symbols and basic theories.

**Topics:**

- 1) The International Phonetic Alphabet (IPA)
- 2) Vowels: monophthongs and diphthongs
- 3) Consonants: the manner and the places of articulation
- 4) Syllable and stress
- 5) Application of phonetic symbols in dictionaries
- 6) The pronunciation of -ed ending verbs
- 7) Weak-forms and strong-forms of structure words
- 8) Connected speech: linking and assimilation
- 9) The structure of English intonation
- 10) Improve listening skills by using audiobooks
